

## PCI COMPLIANCE SERVICES

### LBMC Payment Card Industry Compliance Services

LBMC Security Services is committed to providing the services needed to ensure that your company complies with PCI Security Standards. As such, we have an experienced team of certified and talented professionals to assist you in becoming compliant.

### Why Choose LBMC Security Services

LBMC offers unmatched benefits in the following areas:

- We know the PCI security requirements. Members of our staff have been working with the PCI standards since their inception.
- LBMC is certified by the PCI Security Standards Council as a Qualified Security Assessor (QSA); able to perform formal audits of compliance for major credit card brands and evaluate and accept compensating controls.
- As a QSA, LBMC demonstrates a depth of security experience, proven quality assurance processes, and the appropriate legal and insurance requirements. In addition, LBMC participates in ongoing PCI Security Standards Council's Quality Assurance Program and continuing education.
- The LBMC team continuously receives the very highest evaluations from our clients related to PCI projects. We have provided a list of references and we encourage you to speak to them. We believe our clients to be our best advocates.
- The LBMC team has earned numerous designations and accreditations; continually staying current on all industry updates and procedures. We believe it is important to invest in our employees so that they have the best skills and training in order to serve our clients at the highest level.
- LBMC is a leading U.S. firm with a reputation for excellence. We consistently monitor client projects and solicit feedback in order to continually improve on our service offerings and skills of team members.

### Experience You Can Trust

We understand how important have a project team with specific PCI experience is to you company. The LBMC PCI team has worked on a wide variety of PCI engagements since its inception. These engagements range from development of a Roadmap for PCI DSS compliance to full PCI DSS Report on Compliance Audits.

# ATTENTION BUSINESS OWNERS! [Visa/MasterCard Security]

## Credit Card Compliance! and QSA Certified Assessments

**FACT:** All companies that accept credit cards must be compliant with the Payment Card Industry Data Security Standards (PCI DSS).

**FACT:** All companies requiring PCI Assessments **must have them performed** by a **Qualified Security Assessor (QSA)**.

**FACT:** *LBMC is the only certified QSA located in Middle Tennessee.*

**FACT:** Having your Assessment conducted by anyone other than an experienced QSA can cost your company **more money** over time. You should ensure that your QSA has a depth of experience and resources and is not learning by on the job training. Your reputation and the reputation of your company is at RISK!

**FACT:** LBMC can assist you with all of your PCI Security needs.

**FACT:** The LBMC Security Team has obtained the QSA designation, undergone extensive training and possesses tremendous security experience in order to provide these services to our clients.
