

10 Tips for Job Seekers

To Enhance Your Online Presence

Routinely review and update your social profiles.

Set your profiles to public.

Include a professional, business-appropriate photo.

Remove any inappropriate or controversial content.

Make sure your profiles are 100% complete.

Join LinkedIn Groups, association forums, etc. and get in the conversation.

Post and share relevant content to your homepages.

Follow companies and industry influencers.

Ask for recommendations and continually grow your network.

Show and share your expertise by blogging on industry sites or your personal website.
