Why UKG Ready™?

LBMC Employment Partners is proud to help clients be successful with HR tasks by offering a full suite of automated, scalable tools that integrate HR, time and attendance, payroll, and more through a unified platform—UKG Ready™, which helps employers to stay competitive and fuel organizational growth—from pre-hire to retire.

A single employee record—You enter employee data just once in a single database, and it's shared across all modules.

A single source of truth—With a common reporting function, there's no need to combine multiple sources of information. Decisions can be made based on accurate, real-time data.

A superior user experience—Your users work in the same interface across all modules, minimizing training and boosting efficiency. Employee self-service and a mobile app allow easy anytime access.

Convenient, cloud-based delivery—With the cloud, you're always on the latest software release.

An engaged workforce—Streamline HR administration so you can focus on people, not processes.

We've got all your HCM complexities under control.
